

7. HOLIDAY SCHEDULE

(Write the "Day" (date or day of the week) and "Time" (hour) the child(ren) will begin their time with mother or father under the heading "Begin" and the "Day" (date or day of the week) and "Time" (hour) the child(ren) will end the time with that parent under the heading "End.") For example: "THANKSGIVING Begin Day and Time" write "Wednesday 5:00 pm." "End Day and Time" write Sunday 6:00 pm. Write "Mom" or "Dad" under the headings "Even Years" & "Odd Years".)

We will follow the regular parenting schedule for any holidays that are left blank or are crossed off. Where the Holiday start time is prior to the release of school, the holiday starts when school lets out.

(*Holidays that are observed on Monday)

The holiday schedule for December 24 and December 25 above takes priority over the Christmas Break Schedule.

If the holiday schedule results in a child spending 3 weekends in a row with the same parent, the other parent will have the child the weekend following the holiday weekend. This will usually result in each parent having each child for 2 weekends in a row.

8. POLICY FOR SCHEDULING CHANGES AND EXTRACURRICULAR ACTIVITIES

In the event occasional scheduling changes need to be made, a request for such change will be made as soon as possible and at least _____ hours in advance. Requests may need to be refused from time to time. Neither parent will schedule any activities for a child that interferes with the other parent's scheduled time without consulting with the other parent and obtaining his/her written/electronic consent in advance.
